- Paul Carrington introduced air soft practice pistols as possibility for practicing. Discussed pros and cons. Board voted unanimously to purchase air soft pistols.
- Pistol team squad (jr, virtual) won fixed blades for 2nd place virtual competition
- We need to track down all the teams' trophies and keep a record of how many we have and where they are.
- NRA Grant- shotguns, ammo, pistols (Browning .22, Ruger .22, Glock 34 9mm, Remington over/under and semiautomatic- one 20gauge and two 12gauge). If teams dissipates, guns must be donated to another active team.

- Possibility of uploading athletes' photos on website. Include accomplishments (individual, team, squad). Will discuss next meeting.
- We should be supplying 9mm ammo for pistol team since we are supplying .22 ammo.
- ORSA competition possibilities? Not likely
