Coach Carrington has conveyed to parents that during the months of January and February 2015 weather did not permit team to conduct practice. Coaches decided to cancel practices due to below freezing temperatures. Parents were informed via text message and email. Practices have resumed as scheduled as of March 2015.
- NRA Grants: We received our notification and all we received was 60 cases of 12 gauge shot shells. Spoke with Mike Webb regarding our efforts in the application process. He assured the team that it was only because there were so many applicants that we received so very little this year. Next year we may need to reevaluate our priorities in regards to what we ask for in our grant request.
- Skeet training shoot at ORSA on April 4th. 24 athletes signed up with 8 varsity shooters.
- Next Raffle: Johnny Hanley has agreed to donate a customized Ruger Mark III. We have one of 500 produced Winchester Model 70 Super Grade .280 chambered gun on the way. We need a third gun to raffle. We need to determine how many tickets to sell and the cost per ticket. Discussions took place. No definitive decision made at this meeting.
- Fund Raising: Shotgun team parents are complaining about pistol team athletes not participating in fundraisers. We need to work harder to encourage all team members to participate in fundraisers.
