Mission Statement

Established in 2009, the William Blount Shooting Team teaches youth the importance of firearms safety while molding the future sportsmen/women of Tennessee Shooting Sports. This is accomplished by instilling the personal values of self-discipline, self-confidence, leadership, responsibility, sportsmanship, commitment and teamwork. - ▶ Coaching doesn't begin and end on the field. We encourage parents who wish to get involved. While you must attend an NRA approved Coaches Course to physically coach on the field, we are always in need of Parents to drive fund raisers, provide activity support and most of all to help us instill good practices in these young athletes.
 - ▶ Parents interested in Coaching can see me after the sign up.
