

2016 Welcome Aboard

Mission Statement

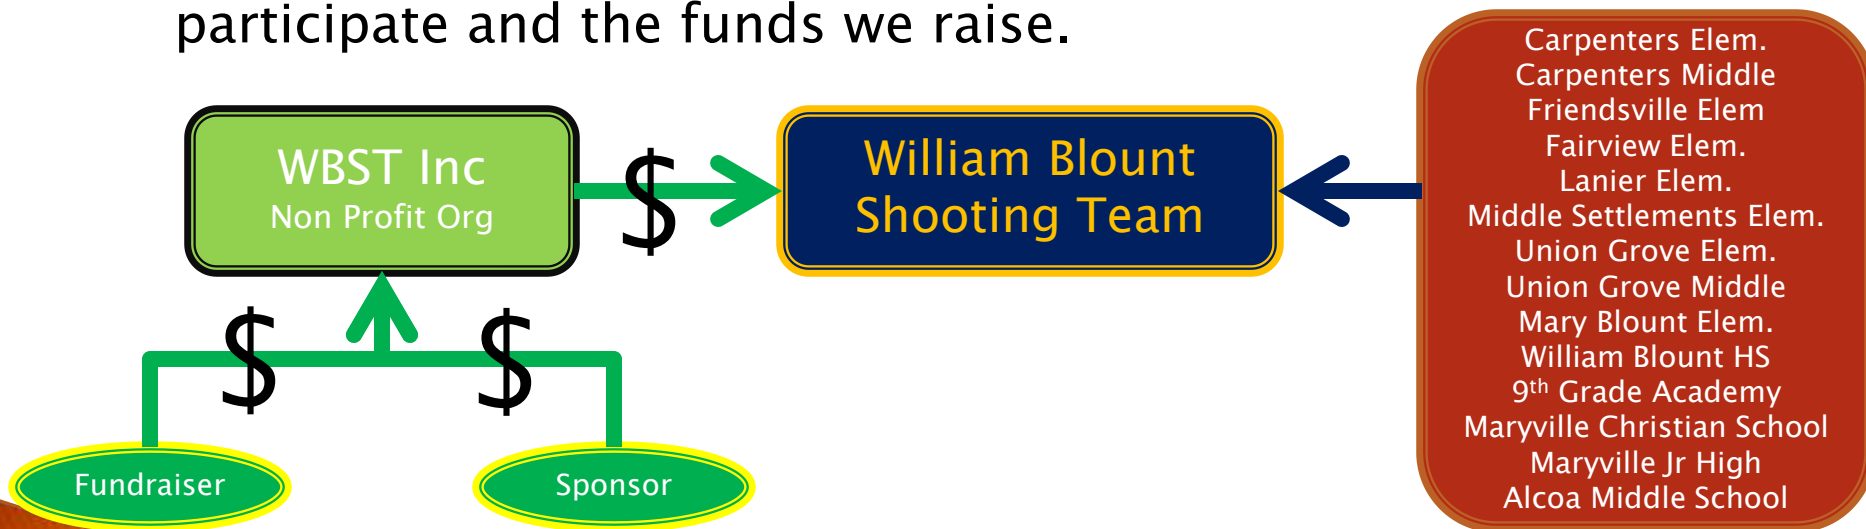

The William Blount Shooting Team teaches youth the importance of firearms safety while molding the future sportsmen/women of Tennessee Shooting Sports. This is accomplished by instilling the personal values of self-discipline, self-confidence, leadership, responsibility, sportsmanship, commitment and teamwork. WBST's goal is to not only create great athletes, but to create great citizens as well.

Important Information Governance

- ▶ WBST has a five member board of directors which governs all team activities. We are an incorporated entity, hold a 501(c)(3) tax status and are a registered non profit charity with the state of Tennessee.
- ▶ This team is wholly funded from the fees that you pay to participate and the funds we raise.

Board of Directors

- ▶ President of the Board
 - Jim Hartman – Shotgun Team Head Coach
- ▶ Vice President
 - Bill Huskey
- ▶ Treasurer
 - Pam Hartman
- ▶ Secretary
 - Joyce Gurley
- ▶ Director
 - Paul Carrington – Pistol Team Head Coach

Board Members serve a 2 year term and must declare in April if they wish to continue. As this is an incorporated entity. Board members all carry fiscal responsibility.

All Board meeting are public except the scholarship meeting.

Compensation

No members of our Board, or our Coaching staff are paid for their services.

We do this for many individual reasons, but as a whole we all feel very strongly that this is a sport which provides for equality among genders and fosters positive growth in your children. If your child lacks self confidence, self control, self esteem, or individual motivation, I think you will see a positive change in them this year.
